

7 November 2025

Dear Parents / Carers,

Timbarra College P-9 is looking forward to another wonderful year of teaching and learning and would like to advise you of our voluntary financial contributions for 2026.

Victorian Government Schools provide students with free instruction to fulfil the standard Victorian curriculum requirements, and we want to assure you that all contributions are voluntary. Our School Council is proud of the excellent quality of our facilities and resources available for our students to enjoy and the numerous programs we offer to cater for students' needs and interests. However, these do not come without some extra costs involved. The Department funding we receive contributes to the basic curriculum, however, limits our ability to provide students with the level of resources and facilities we expect to provide our students.

Each year, Timbarra College P-9 parents show positive support for the school through parent payments and fundraising efforts. This support has led to considerable improvements being carried out, especially in the areas of our library, musical equipment, welfare assistance, and maintenance of classroom facilities as well as enhancement of our grounds play equipment through the provision of outstanding resources.

Timbarra College P-9 makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. Our contribution schedule for 2026 is attached. For more information regarding the parent contributions, please refer to our website.
